Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 13 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining humid with lingering coastal cloud.

This Evening and Tonight:
A dry and mostly clear night, but with lingering low cloud around coastal areas. Warm and humid for many, without much in the way of wind to take the edge off. Minimum temperature 9 deg C (48 deg F).

Monday:
Lingering coastal cloud, particularly in the southwest, and other patchy cloud throughout the region. Otherwise, another fine, warm, and dry day. Maximum temperature 25 deg C (77 deg F).

Outlook for Tuesday to Thursday:
Largely fine on Tuesday, although marginally cooler. Cloudy skies and showers move in on Wednesday, bringing a risk of thundery showers for the rest of the period.
